SUMMARY

With a passion for data-driven storytelling and a strategic approach to social media marketing, I aspire to specialize in creating impactful campaigns that help achieve objectives. Leaning towards performance marketing, audience targeting, and analytics, I aim to help brands grow their online presence and attain measurable results.

WORK EXPERIENCE

Marketing Associate

JUNE 2025 - PRESENT

CMS India PVT. LTD.

- Draft and execute macro-level social media strategies, managing the end-to-end campaign lifecycle and aligning monthly calendars with business goals.
- Track and report on core metrics (KPIs and ROI), analyzing data trends to optimize strategy.
- Coordinating cross-functional teams, handling marketing lifecycles, and governing ORM protocols to safeguard brand credibility.
- Conduct market and competitor research to identify trends, translating insights into actionable creative references.

Digital Marketing Executive

JUN 2024 - JUN 2025

Automotive Manufacturers PVT. LTD.

- Managed the end-to-end process of social media marketing, including posting, scheduling, developing monthly content calendars. I analyzed trends and curated references to ensure content aligned with industry standards and brand objectives.
- From crafting mood boards to content creation, I focused on delivering engaging and visually compelling narratives. Additionally, I handled reporting and analysis to track performance and optimize strategies.
- My role also involved boosting content for greater reach, coordinating with cross-functional teams, and executing influencer marketing initiatives. I managed online reputation (ORM) to maintain and enhance brand credibility.

Social Media Intern

APR 2023 - JUL 2023

Support Hives Technology LLP

- Executed social media posting and planning tasks, ensuring a consistent and engaging online presence.
- Contributed to strategic planning to drive traffic to the landing page or website, utilizing audience analysis and A/B testing ads to better understand the target market.
- Collaborated with relevant creators and influential personalities to enhance brand visibility and engagement.
- Monitored and analyzed social media metrics to track performance and optimize future campaigns.
- Handled online reputation management (ORM) to maintain a positive brand image and respond to audience interactions effectively.

Social Media Head

AUG 2022 - MAR 2023

Sheth L.U.J College of Arts & Sir M.V. college Of Science & Commerce

- Designed stills, banners, and logos for social media using Figma and Canva.
- Managed social media for the Inter-Collegiate Fest VIBES, leading awareness campaigns and effectively promoting the event.
- Oversaw social media platforms, such as Instagram, Facebook, and LinkedIn, ensuring consistent posting and ORM across channels.
